RE: *Ex Parte* in WC Docket No. 08-154

Dear Ms. Dortch:

On Thursday, September 11, 2008, Jordan Goldstein and the undersigned of NeuStar, Inc., met with Julie Veach, Ann Stevens, and Melissa Kinkel of the Federal Communications Commission's Wireline Competition Bureau to respond to questions relating to the *Emergency Petition of Level 3 for Assignment of Additional Telephone Numbers in Area Code 603* and the *Request of Level 3 for Special Temporary Authorization of Numbering Resources In Area Code 603* ("Level 3 Pleadings") in the above-referenced docket.

During the meeting, we addressed questions regarding the technical administration and assignment of blocks. Further, we reiterated the position set forth in our comments that the National Pooling Administrator takes no position with respect to whether the FCC should grant or deny the Level 3 Pleadings.

Respectfully submitted,

Amy L. Putnam
Director, National Pooling Administration
